

**PAUL CUFFEE SCHOOL**  
A Maritime Charter School for Providence Youth

March 13, 2013

Paul Cuffee School is seeking bids for its local, long-distance, wireless and cellular voice services for its fiscal year 2012-2013. The school currently has three buildings with the following lines on a Centrex system:

- Lower School: 3 phone lines, 1 fax line, 1 elevator line, 1 alarm line
- Middle School: 3 phone lines, 1 fax line, 1 alarm line
- High School: 2 phone lines, 1 fax line, 1 elevator line, 1 alarm line
- Wireless services for 4 cellular phones and three smart phones

We are seeking month-to-month services, at the most cost-effective rates.

To be eligible for consideration, all telecommunications service providers must be registered with the FCC and have a documented SPIN number so that Paul Cuffee School may seek discounted reimbursements from the ERATE program of the Schools and Libraries Division.

Please direct all sealed written responses, no later than 5 p.m. April 22, 2013, to:
