The 2018 Charter Public School Fair is free and open to all members of the public. This event will provide families the opportunity to speak with school representatives. Applications for admissions will also be available from our amazing member schools operating here in Rhode Island.

WE LOOK FORWARD TO SEEING YOU THERE ON JANUARY 24th!

The mission of the Rhode Island League of Charter Schools is to advocate for its members by supporting charter public schools as leaders in expanding choice and supporting and informing the public-school reform movement across the state. Since our founding in 2001, the Rhode Island League of Charter Schools has worked to expand the role of charter public schools in our public education system. The League is guided by the directors of the 18-member charter public schools. Together, we advocate, share best practices and collaborate.
