

The Earl N. Smith III Endowed Memorial Scholarship

To honor our late brother Earl's legacy of leadership and mentoring, racial and social justice advocacy, as well as his characteristic humility, integrity, and perseverance on the pathway to success, the Paul Cuffee School is launching a \$25,000 endowment campaign to award the first annual Earl N. Smith III Memorial Scholarship of \$1,000 in June 2023 to a Paul Cuffee graduating senior. The School has raised more than \$12,500 in gifts and pledges to date and is actively seeking gifts and multiple-year commitments to fully fund an endowed scholarship fund in Earl's memory.

Application Process

Students, faculty and staff at the Upper School will be asked to nominate a senior based upon the agreed upon criteria that the Smith family has vetted. To encourage nominee investment in their own success, students who wish to be considered as a candidate for the Earl N. Smith III Memorial Scholarship will be asked to submit an application with their resume, a faculty recommendation and a short essay that describes his or her fulfillment of one or more of the award criteria no later than 5:00 p.m. on April 7, 2023.

Application Evaluation

To support an anti biased/objective candidate evaluation process, the proposed Earl N. Smith III Memorial Scholarship Award Review Committee will consist of a Smith family representative, a member of the Paul Cuffee School Board of Trustees, an Upper School faculty or staff member, and a member of the Paul Cuffee School-wide Leadership Team. To include peer input on finalist candidate evaluations, anecdotal feedback will be requested from Upper School student representatives - preferably one freshman, sophomore and junior.

Data points for the agreed upon selection criteria will be used when evaluating each scholarship application.

Award Decision

Applications will be reviewed and voted upon by mid-May by members of the Selection Committee. The finalist will be announced at an Upper School assembly on May 31st and noted in the Class of 2023 Graduation Program.
